Dear Hiring Manager,

At first take my sincere respect. I am excited to apply for the Full Stack Web Developer Position. With over three years of experience in developing scalable web applications, I bring expertise in:

- **Frontend:** HTML, CSS, JavaScript, React.js, Vue.js, Angular.js
- **Backend:** PHP, Laravel, Node.js, .NET Web API, REST API Development
- **Database:** MySQL, MongoDB, SQL Server

I am passionate about delivering high-quality solutions and thrive in remote collaboration. My ability to work independently while maintaining effective communication and ability to adapt to new technologies and problem-solving skills make me a strong candidate for this role. I would love the opportunity to discuss how my skills align with your team's needs.

Thank you for your time. I look forward to your response.

Best regards,  
Ragib Hasan
